### Wicked "For Good" Day on Broadway

### Saturday February 8, 2014 Testimonials

"I wanted to thank you and your team for the most fantastic day with our Girl Scouts!!! My co-leader and I have received so many compliments from our moms, but those comments should go all to you. The process was truly the best run I've seen. Buying and receiving our tickets, collecting our patches, and everything in between was easy and seamless. We all had a blast and learned a ton at the Workshop. And all the lessons tied in beautifully to the lessons we try to teach them in Girl Scouts. Learning the choreography was a true highlight! And, seeing Wicked was gorgeous icing on the cake! Thanks to all involved for an unforgettable experience for our girls. We cannot wait to work with you again."

“We LOVED the parts of the workshop that were done by the dance captains, and we were fascinated and inspired by the Costume designer. We were so excited to be able to see some of the costumes up close.”
