

STUDENTSLIVE “FOR GOOD” WICKED CINCINNATI WORKSHOP TESTIMONIALS

SATURDAY MARCH 15, 2014

“It was awesome to see how much all of the Girl Scouts enjoyed the workshop! I think it’s really special that so many of them made it onto the stage, if only for a minute. What an experience for them! I think it’s something they will always remember.”

- Peggy Holthaus, Senior Group Sales Manager, Broadway in Cincinnati

“I had a blast, it was truly my pleasure to be able to speak those young ladies. Thank you for your kind words. It was wonderful meeting you. If you are ever in Cincinnati please let me know. We may just have to think of another way we can work together! YOU ARE FABULOUS! Theatre is a true gift.”

- Regina Russo, Keynote Speaker, Director of Marketing and Communications at the Cincinnati Art Museum

“My daughter thoroughly enjoyed singing along, learning dance moves (and then seeing the same ones in the actual show!!), and was inspired by the community service work shared by the girls chosen for the award portion. She loves the theatre so we frequent as often as we can. She said this was her favorite one and I think the pre-show workshop had a lot to do with that. She is even more interested in theatre now! Thank you for a memorable, enhanced theatre experience. It was fun, educational and inspiring for my daughter! It helped to foster her future aspirations in musical theatre, broadened her horizons with the impact she can make on others and ideas for her troop to impact their global community with service.”

- Sarah Snowden and Madelyn Heaton, Girl Scout Troop 42189

“What a great weekend. Thank you so much for all your hard work. Everyone I heard from said that they had a great time. We would definitely be interested in offering this again if you decide to work with another show. Definitely keep us in mind. “

- Elizabeth Vessel, Programs Director, Girl Scouts of Western Ohio

“So thankful to sing on stage at the workshop with StudentsLive. HANDS DOWN BEST DAY EVER! I really want to spread the word about your guys program, it's great to get them interested in music early “

- Leslie Becker, *Wicked* Cast Member

“My Girl Scouts enjoyed the singing and dances and especially learning the trivia and being quizzed. It was great for them to see Girl Scouts of every size, shape and color and to have the conversation about how different people are.”

- Christina Von Bargaen, Girl Scout Troop Leader, Western Ohio

“I loved how the workshop included our mission statement and incorporated the values of Girl Scouts. We enjoyed hearing what other girls and troops were able to do “For Good” in our community. I would definitely attend a future StudentsLive workshop in Cincinnati.”
