“I just wanted to thank you and Students Live for a wonderful experience this past weekend. It was organized so well and both the workshop, and of course, performance were incredible. Thank you again.”

“I wanted to thank you and your staff and all the professionals from Wicked for such a fantastic day on Saturday. Our troop of sixth-grade girls and their families thoroughly enjoyed the workshop, and of course loved the matinee performance. Everything went so smoothly. Our girls are going to remember this day forever. THANK YOU!”

- Gail O’Connor, Girl Scout Troop Leader

“We would like to thank you for the amazing experience my Troops had this weekend at Wicked. My daughter Kelsey Chico is very excited about winning the community project presentation. We enjoyed the back stage tour! See you at future productions.”

- Vanessa Chico, Girl Scout Troops 1980/82 Leader

“We ABSOLUTELY LOVED it!!!! It was so great - funny, entertaining, informative and inspiring! It’s hard to pick a favorite part! Getting to see the actors interacting with the audience and teaching them moves and songs. Loved the Q&A also and the guest speaker was phenomenal! This was our first time, but we would love to do it again. Our Scouts were super prepared and very excited. **It was a great program because we are in the midst of our Junior Bronze Award - and we are working on doing good things for others! We are constantly trying to inspire them to be creative and outgoing and this program did everything we could have asked for and more. I wouldn’t change a thing.** Thank you for a day my daughter and I will always remember. My mother came with us and all 3 of us loved it. I was also with 5 other girls from my troop and their moms and we all thought it was simply amazing. Couldn't have asked for a better day! It met my expectations and went above and beyond what I could have imagined! Thank you for all the hard work and fun that was put into this!!!! Also, my daughter was one of the presenters and her dream is to be on Broadway one day - so the fact that she got to stand up on the Gershwin Theater and stand behind a microphone was just a dream come true for her!!!!”

- Beth Gould, Girl Scout Troop Leader

“The workshop was fun. My girls enjoyed learning the dance section. Our Junior and Cadette Scouts were prepared for their first Broadway experience and they had a great time.”

- Ceara Hunt, Girl Scout Troop Leader

"We have received 3 different calls from people letting us know how amazing the program was. Including one parent (of the daughter who got to go up and sing Defying Gravity) who has not stopped talking about the experience and this has added even more fuel to the fire for her desire pursuit of musical theatre."
