

2019 StudentsLive Workshop and Show Experiences

If you would like to do a workshop on your own and your group meets the show and workshop minimums, we can schedule your group for a Private Customized Broadway Workshop and Show on the date of your choice and the show of your choice. Our workshops are catered to all age ranges from young children to adult participants and reflect the highest standards of the Broadway community. Everyone in the studio is engaged and entertained. For the best experience, everyone going to the show should attend the workshop. For our workshops, we require a minimum of 20 participants for a workshop. If your group alone does not meet that minimum, you are welcome to participate in the Build A Group Community Workshops listed below. The morning or afternoon workshop will take place at a Broadway rehearsal studio prior to the matinee performance. For these build a group events, you do not need to meet the group minimums to get the group discount. You will participate in the interactive morning workshop with a community of students, scouts and families from around the country. We have limited availability for all dates, reserve early for best seats, these dates fill up quickly.
