## **StudentsLive Virtual Workshop Testimonials**

**“Thank you so much for coordinating this event. I am the troop leader here at Osan for our Cadettes here at Osan Air Base, South Korea. Saoirse and Analiese had a sleep over and had a great time with this class, even though it meant getting up at 2am. They said it was totally worth it!” – Amy H, Girl Scout Troop Leader and Parent**

**“I loved learning the music and dance steps. I also enjoyed the Q&A with our guest. Lauryn was fabulous!” – Emily A, Girl Scout Participant**

**“ It was wonderful dancing and singing with so many other incredibly talented girls and being taught by such a wonderfully well-articulated instructor! Ms. Lauryn was super supportive and I loved the encouraging environment and overall experience.” - Zara S, Girl Scout Participant**

**“Thank You for putting this Hamilton workshop opportunity together!! My daughter just finished and is ALL SMILES! She absolutely LOVED IT, and would sign up for more opportunities in a Heartbeat!” – Girl Scout Parent**

**“My daughter Mara had a blast and loved the Aladdin workshop. She is already asking to do another one!” - Girl Scout Parent**

**“My daughter participated in the Wicked workshop with the Girl Scouts of Maine. Just wanted to let you know that we were thoroughly impressed with the program and especially with Nicky! His positive attitude and enthusiasm were well received by our 10 year old daughter (and her parents, of course!). Mom and dad can lecture about positive attitude until the cows come home, but two young folks from Broadway displaying so much positive energy make a much bigger impact and we are so grateful! Thanks so much” - Girl Scout Parent**

**“Thank you so much for the amazing Wicked Workshop for our Girl Scouts! They all had a blast. I know my daughter was blown away and loved every minute of it. It was great working with you both to coordinate this wonderful program. We will certainly spread the word about the opportunities you offer and hope to maybe participate in a live event soon.” – Girl Scout Troop Leader**

**“My daughter is a Theater Major at her Middle School and has missed her daily theater classes due to the structure of online learning. This weekend after the workshop I saw that same light and excitement that I have missed seeing for so many months because of the Pandemic. I just wanted to thank you all as a Mom for being able to see that wonderful spark that has been missing. She would love to participate in future events, and we will definitely look into them! Many blessings to you all!” – Girl Scout Parent**

**“My daughter was beyond overjoyed and beamed the rest of the day from the Broadway Badge Workshop.:) I just want to say "Thank you" so much for setting up such an empowering and inspiring workshop that allowed many of the girls to step out of their comfort zone and present themselves with such positive reinforcement to all their efforts. FANTASTIC DAY... Thank you” – Girl Scout Parent**

**“Thank you so much for the awesome workshop! Lauryn was absolutely FANTASTIC with my troop and everyone enjoyed it. The way that the girls in my troop learned some of the techniques used on Broadway really inspired many of them to think about pursuing a career in performing arts. I also enjoyed the feedback and learning the dance routine! This experience is what the girls needed at this time to prepare them for some of the excitement of coming to Broadway (hopefully) next year. This was great!” - Girl Scout Troop Leader**

**“We had a delightful & inspiring class. Sacred Heart Players were so fortunate to be part of this Zoom workshop Students Live coordinated for us. Lauryn was a beautiful instructor giving a terrific class. We never imagined a virtual workshop could be so good! We really appreciate being able to share theatre with our students during these difficult days and give them encouragement for their efforts. We are grateful to you Amy & Jessica for setting this up & working with us. Can’t wait to see you soon.” -Senior High School Educator**

**“I was super impressed with how efficient the Zoom workshop went! Amy runs a tight ship and you guys make a great team! Thanks for coordinating the workshop for my class – they are really into Broadway! Thanks again.” - Middle School Educator**

**“Thank you all so very much for an amazing afternoon. The students so enjoyed spending that time with you and I know it was wonderful to get just a piece of Broadway. I look forward to seeing you all next year and meeting you in person. Thank you for all you do!” - Middle School Educator**
